Fida A

Digital Marketing Student at Placementor Academy Nilambur
Nilambur, Kerala, India

Summary

Passionate Digital Marketing student with a strong interest in social media marketing, SEO, content creation, branding, and online advertising. Currently learning and building practical skills through projects, certifications, and hands-on training in digital marketing strategies and tools. I enjoy exploring creative ways to connect brands with audiences and understanding how data-driven marketing helps businesses grow. Always eager to learn new trends, improve my skills, and gain real-world experience through internships and collaborative projects. Skilled in communication, teamwork, creativity, and problem-solving, with a positive attitude and a strong learning mindset. My goal is to build a successful career in digital marketing by contributing innovative ideas, creating engaging content, and helping brands strengthen their online presence. Open to learning opportunities, internships, and networking with professionals in the digital marketing industry.
